Message details

Messages concern UGICOM operations, including work schedules, assignments, service updates, notifications and updates from the support ticket system, and administrative notices. This consent covers operational messages only and does not authorize marketing or promotional texts.

Message frequency varies based on work-related needs. Message and data rates may apply.

To stop receiving messages, text STOP to UGICOM's business cell at (513) 502-2413. For help, text HELP to the same number. These requests are handled manually by UGICOM.
